Situated at the heart of the Glamping Venue the conference room is perfect for groups of up to 48 overnight delegates or 70-day delegates, with a number of setup options available. This 15m2 x 9m2 conference room marquee is adaptable all year round; dropping the walls for a refreshing indoor-outdoor flow in summer and cozying up with heating for winter.

Glam Camping Venue

With a rustic outdoor kiwi setting, the venue is complete with a fire pit, outdoor bar, and comfortable lounging, also accompanied by a large and adaptable conference room. Our Glam Camping Venue boasts the capacity to sleep up to 48 guests, twin-share, in relaxing two bedroom tents. All rooms have a private ensuite at the wing of the tent, catering to all home comforts.

Facilities also include an onsite host/cook to accommodate your event, with all food provided, tantalising wood fire pizza oven where you can be actively involved, an expansive outdoor kitchen with a spit roast and more, a social and extensive lounging area, a large dining area that sneaks hidden views towards the crashing waves and setting sun, and many other hidden gems across the Glamping venue.

Glam Camping Tents

The Glam Camping Venue has purpose-built tents which include 24 rooms and hotel standard facilities. Each bedroom has a super king bed or two king singles and also each includes ensuite bathrooms. With a sleeping capacity of 48 (twin share), we can also take larger groups using overflow Resort accommodation. These unique tents are designed for all-weather and all-year-round use.

ACTIVITIES

Castaways Resort offers an extensive list of activities to help facilitate team building, or for a bit of fun between sessions.

Target Golf

Target Golf is a variation of golf, where players hit a golf ball at a large net, scoring points based on where the ball lands.

Duration: Minimum 2 hours
\$100 per hour (Unlimited players)

Build a bike

This uplifting experience invites your team to assemble high-quality children's bicycles that will be donated directly to local organisations in need. Teams work through a mix of cerebral and tactile challenges to earn the parts and tools required to complete each bike.
