FAQs

How do I book an event ?

Send an Enquiry to sales@goodcompany.nz including preferred dates, rough estimate of guests and type of event.

You will receive a reply within a couple of days, confirming if your date is available and inviting you for a site visit.

At your site visit you will be shown our spaces and given the option to make a pencil booking.

Your pencil booking will stay in the diary until you decide to proceed or another enquiry comes through for the same date- in which case I will give you first refusal and ask if you would like to proceed or release the date.

If you decide to move forward you will be sent a Deposit invoice (for the full amount of venue hire) and a contract to sign and return.

Once both of these have been completed and depending how far out your event is booked we can start the planning process.

Do I need a wedding planner?

Your booking will come with an Event manager who will ensure the venue operations run smoothly on the day. A wedding planner will manage your entire day including the planning and run up to it from start to finish. This is definitely worth considering for weddings with over 100 guests.

Where can I get married in the Gardens?

We have 5 outdoor ceremony locations in the Botanic Gardens, our 2 most popular spots are the Cockayne Memorial Lawn and the Magnolia/Azalea Garden. We are more than happy to show you these locations on the day of your site visit. We can also give you a map to go explore yourselves.

Is there parking on site?

Yes the Armagh street carpark provides paid parking for the Gardens from 8am-5pm 7 days a week. Parking is free from 5pm every day and on public holidays. The carpark will stay open when we have events, not at the time stated on signage.

Do you allow BYO?

We do not permit external catering at our venue, as we have our own in-house catering team and our menus can be customized to suit your specific needs. Wedding cakes from external suppliers are subject to a cakeage fee of \$2.50 per person.

We offer a wide selection of locally sourced beverages, if there is something you would like that we don't currently stock, we can usually arrange to source it for you. Please note that any bottles brought into the venue will incur a corkage fee of \$30 per bottle.
