THE WAIKATO REGION

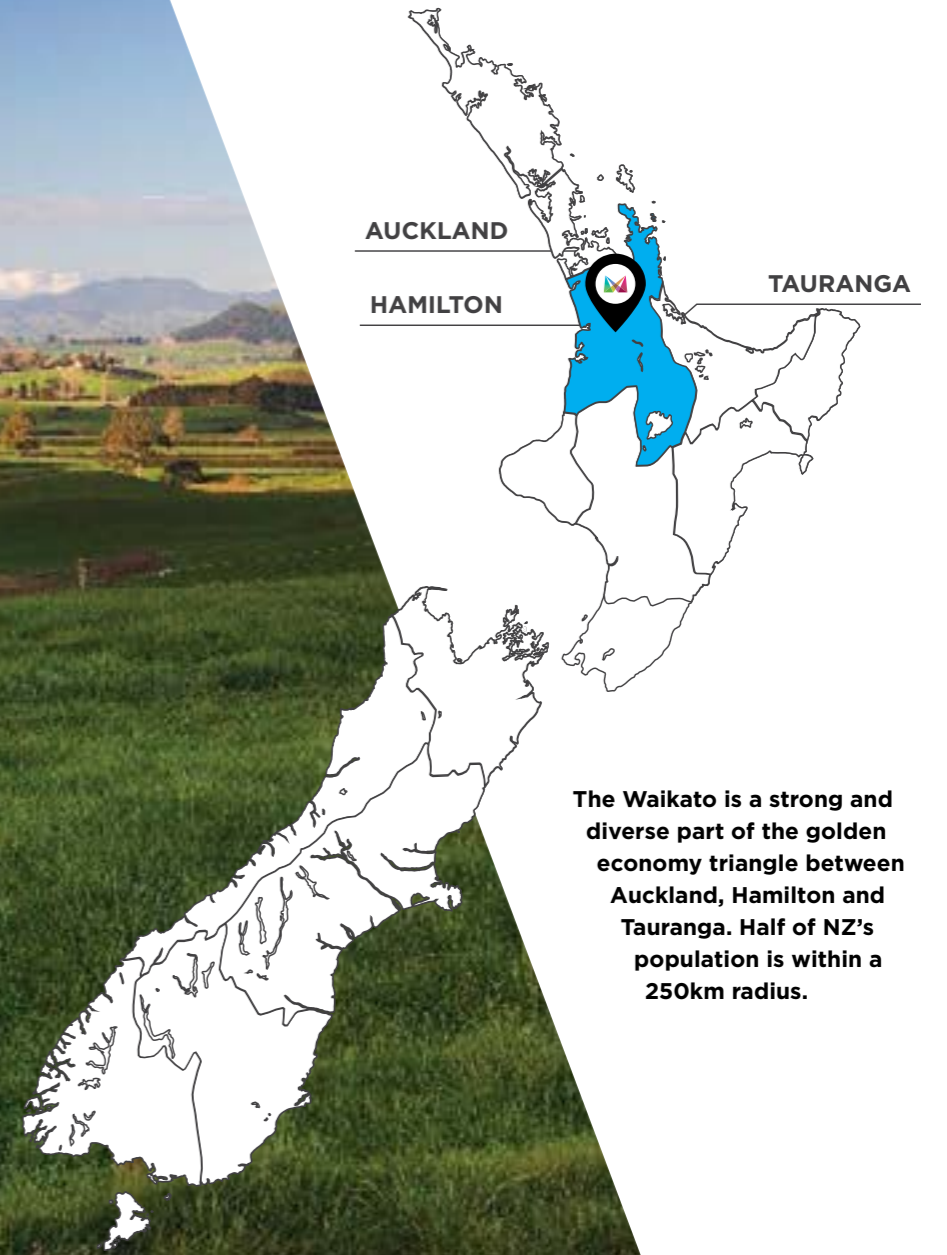

The Waikato region is the gateway between Auckland and the rest of the North Island.

The region boasts a rich agricultural base with several large hydro lakes used extensively for water sports and recreation, including Lake Karapiro – the home of New Zealand rowing.

Along with high performance rowing, the region is home to Cycling New Zealand and Triathlon New Zealand.

Mystery Creek Events Centre is a stones-throw away from popular attractions such as Raglan’s legendary surf breaks, the internationally-acclaimed Blue Springs and the renowned Hobbiton Movie Set. The Waikato region also offers an extensive network of bike trails, spanning hundreds of kilometers, catering to various preferences from mountain biking to scenic river trails – it’s all waiting to be explored!

Located in nearby Hamilton and Cambridge are a range of hotels, as well as historic and boutique accommodation options in the countryside, and a vast number of alternatives in between.

The Waikato is a strong and diverse part of the golden economy triangle between Auckland, Hamilton and Tauranga. Half of NZ's population is within a 250km radius.
